SENIORS

SENIORS ARE NUMBER ONE!

It has been four long years of not only homework, tests, and term papers, but friendship too. We reflect upon our freshmen year, when we took a field trip to the Egyptian museum and we were asked to leave. When we were sophomores, all the sophomore girls were cheerleaders and we went to Marriott's to celebrate the end of a good year. When we were juniors we were outstanding! We got into the habit of winning every thing including every Spirit Week. And then came our junior year, the awesome junior ring ceremony. We can't of course forget Mrs. Mitchell's way of getting us to do anything including our Zaccheus dance. All these memories, and more, we will never forget, like early morning bizzare paper drives, and togas. This year we have returned to put our final stamp on Lawrence Academy with our spirit and unity. As we've looked toward our graduation, we've dreaded it knowing that we will part and go our separate ways, but we know that nothing, not even the passage of time can destroy the bond of unity and friendship we enjoy. For the spirit of '82 will live on.

MRS. MITCHELL-Senior class moderator

"He lives twice who enjoys both the past and the present." - Marcus Martial

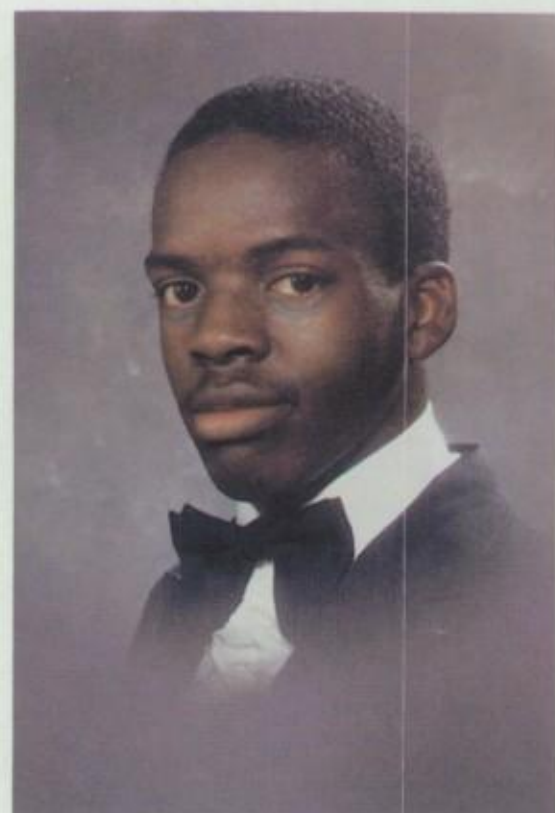

JOHN ADLER

The measure of a man is what he would do with power, and not what can't without it.

ANGELA APPLEBY

"I expect to pass through this world but once. Any good thing, therefore that I can do or any kindness I can show to any fellow human being, let me do it now; for I shall not pass this way again."

WILLIAM AUSTIN

We've all come a long way, and one of the hardest things for us to do will be to say good-bye. I'll miss you all greatly. Luv ya!

THERESE BEAN

When riding through the tide of time and thinking of the past, you have a friend who will forever last. - Old Quaker verse

PATRICIA CRUZ

"You will never lose friends by being candid, and you would be well advised to choose friends who are forthright and honest as you are." I did.

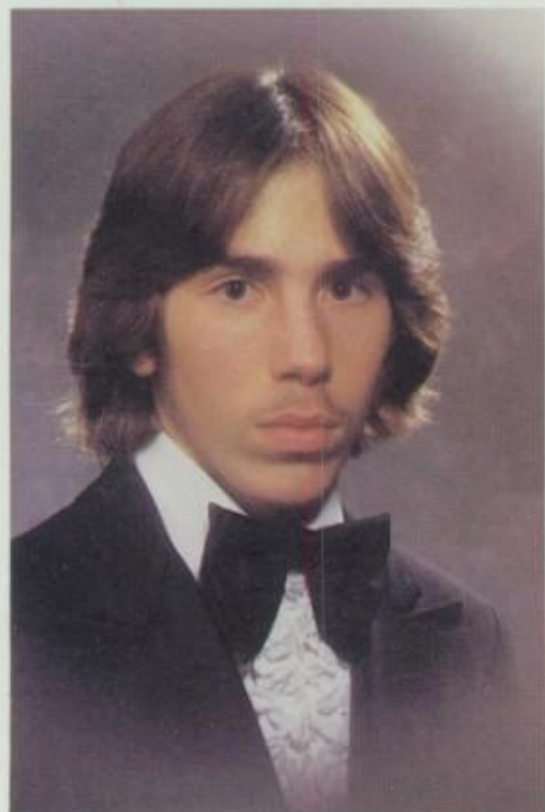

MARIE ROSE ELLORIN

Memories of this school and these past four years will always have a special place in my mind and in my heart.

JONATHAN R. GONZALES

My tastes are simple; I live to have the best... Let us keep our memories deep within us, for memories are all that remain of the past. I'll always keep a place in my heart for you all, class of '82, especially Maria honey.

WILLIAM GRIMALDI

While many have been here longer than I... I will miss this place because my friends have made it fun... Love and thanks to you all.

DEBORAH HAMER

Thanks for four terrific years, Lawrence! 1982 Seniors are the greatest — Helen and Sprout most of all. I love you, Steve!

JOANNE JACOBS

Yesterday brought the tune, tomorrow brings the word. Thus life is a song.

ALFREDO JOHNSON

What lies behind and before are tiny matters compared to what lies within.

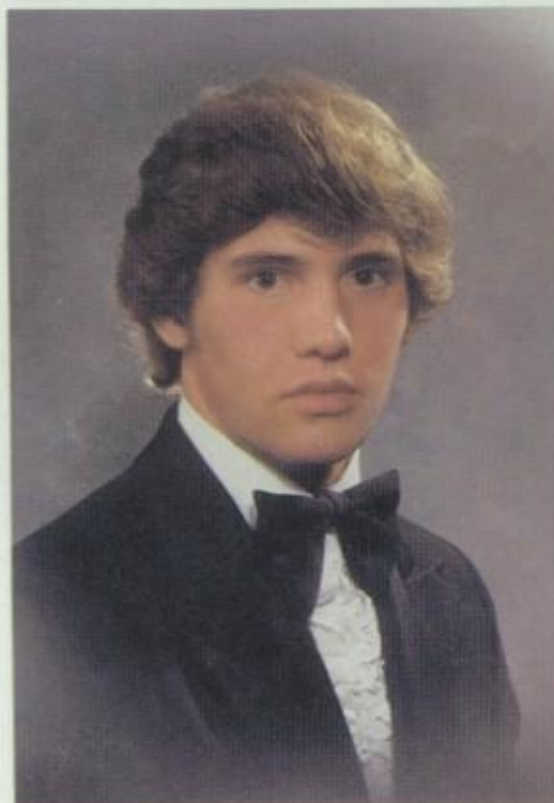

FRED LEMOS

Up above is where I'll be, flying through the blue, and seeking a place to be free, I'll set a course towards infinity, and hope I'll have enough fuel.

CAROLINE "CHILOLA" LOPEZ

I will always remain with the memories of the times we have shared, because memories are forever. It's hard to say goodbye to the people you care for! I love you all. Goodbye!

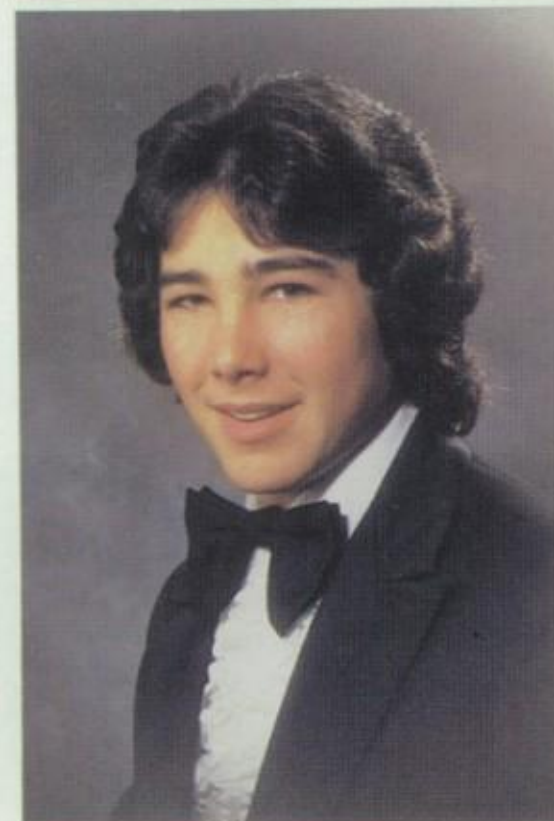

STEVEN LYSENKO

Well, we made it. Thanks, Mrs. Mitchell and all the staff for a great four years; it was really like home. Thank you, class of '82, for all being my friends; I'll miss you guys.

MELANIE MC ELMURRY

Thank you, seniors, especially Jon. Farewell to you all. I love you, my darlings!

MARIA MC SHANE

"Promise yourself to be so strong that nothing can disturb your peace of mind; to make all your friends feel that there is something in them; to look at the sunny side of everything and make your optimism come true; to think only of the best and accept only the best."

HELEN MELENDEZ

The Class of '82 is the best! I'll miss you all, especially Maureen, Debbie, and Steve. I luv ya, Jon. Good luck!

TONY NARAD

As I fly through the great sky of life, I will look back onto where my take off was, at Lawrence Academy. (Cessna 150 Silhouette)

DIANNE SPENCE

"Here's to the songs we used to sing and the good times we used to know. Its hard to hold them in our arms again, and hard to let them go."

-Neil Diamond

The Best Of Luck, Class of '82!

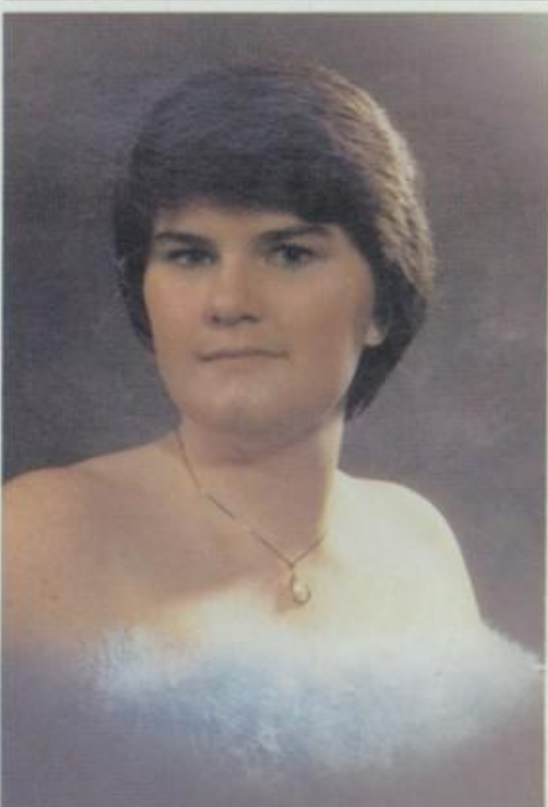

LORNA VILLA

"To accomplish great things, we must not only act, but also dream, not only plan, but also believe."

SWEETHEART DANCE

The Lawrence Academy coat of arms embraces the Latin motto, "Disce aut discede" — learn or leave — a centuries-old creed of one of England's famous schools. Above the motto is the mailed gauntlet of knighthood, clutching a rose. The glove signifies challenge and spells out the Academy's goal of training modern youth to be self-reliant and to think for themselves in an era where educational challenge has become increasingly overlooked. The red rose symbolizes reward for victory and mastery of the educational challenge within the scope of the individual's God-given abilities. Surmounting the challenge and reward stands the lamp of knowledge, without which success is impossible.

CAMP CAMPBELL '81

CAMPUS MINISTRY

"Take, O Lord, and receive my entire liberty, my memory, my understanding, and my whole will. All that I am and all that I possess, You have given me; I surrender it all to Your love and Your grace."

The campus ministry of Lawrence Academy was founded in 1971, but got off to a good start in 1981.

Campus ministry consists of 3 committees: the food drive committee, the liturgy committee, and the special liturgy committee. Each have contributed to the Academy and the St. Lawrence community.

Twice each year the food drive committee has been successful in collecting canned and packaged goods. Last year the 7th grade collected the most cans, winning the charity banner. This year the Senior Class won. Certificates of appreciation have been awarded to the Academy for the food drives it has conducted on behalf of the St. Vincent de Paul Society and the Food Bank of Santa Clara County.

The special liturgy committee has worked long and hard in planning some of last year's and this year's most meaningful masses. It is their purpose to introduce both students and faculty to innovative liturgies. Masses planned and carried out by this committee include the high school baccalaureate, the junior ring ceremony liturgy, the Thanksgiving liturgy, and the "back to school" liturgy.

The liturgy committee has also done an outstanding job in planning First Friday masses that have been very moving and which have inspired faculty and students alike.

These 3 committees have guided and directed campus ministry, directed by Mrs. Mitchell. She has done an outstanding job, giving much of her time and effort. This has made campus ministry what it is today, a labor of love, hard work, and dedication.

Mrs. Mitchell, Campus Minister

ACADEMY LIBRARY

The Lawrence Academy Library exists to serve the academic and recreational media needs of the students. It is open before, after, and during the school day. The 1981-82 school year has been one of great growth. Book circulation nearly doubled. Many new materials were added, including 2 computers, over 1,500 books, A-V equipment and classroom media programs. Over 40 students volunteered as library aides, working in excess of 200 hours. Thanks to them, as well as all the students, for making 1981-82 such an enjoyable and successful library year!
